**Faria A+ Elementary School**  
Cupertino Union School District

Faria A+ Elementary School will be hosting our annual Walkathon fundraising event, and we invite you to join the entire student body, Faria families, and staff. Students walk laps around the school and join parents, families, and colleagues to raise money for enrichment materials that directly support the students and further our academic philosophy. **Over 550 students and their families participate in this event.**

***Sponsor our future, increase your brand awareness and recognition!!***

Your Walkathon sponsorship places you front and center among hundreds of potential clients and customers as they walk their laps, visit games and activity booths, enjoy delicious food, and have fun. Help support the efforts of our students - **your future employees, business and government leaders, and community members** - with sponsorship at a level convenient for you. The sponsorship levels and their associated benefits are attached. **All contributions made to the event are tax-deductible**, will provide invaluable name recognition for your business, and, most importantly, will go toward providing a world-class education for the children in our community. To take advantage of all the sponsorship benefits, please respond by **April 24, 2026**.

We are truly grateful for your consideration. Please let us know if you have any questions or if you are interested in supporting us in any other way!
